## 2. Business update

As a transporter of gas and distributor of electricity to predominantly domestic properties there was minimal impact on the income or costs of the business during 2021 due to Covid-19.

From April 2020 through to the early months of 2022 the Group has continued to win and connect sites, however there have been slow downs against what ESP would typically have experienced in both sites won and connections, on, that coincide with the periods of Covid related lockdowns.

On 1 September 2021 Yaad Virdee was appointed as a Director of all Security Group Companies.

On 25 October 2021 Stephen Morris was appointed as a Director of all Security Group Companies.
