ESP Water Limited Board Statement on accuracy and completeness of data and information 2024-25

This board statement is made on behalf of ESP Water Limited (ESPW) and is provided in accordance with ESPW's Instrument of Appointment, which came into effect on 24 July 2022. It is also in accordance with Ofwat's requirements as set out in the Regulatory Reporting Requirements for New Appointees for 2024-25 – guidelines and line definitions (April 2025) and RAG 3.15 – Guidelines for the format and disclosures for the annual performance report (March 2025):

The Board statement is also made in accordance with the Information Notice (IN 24/03) – New appointees' option for reporting leakage and per capita consumption for new sites for 2023-24. Therefore;

- The data and information, which ESPW has provided to Ofwat for the 2024-25 reporting year (01 April 2024 until 31 March 2025) is accurate and complete with no exceptions.
- To make this statement the Board has engaged and challenged on the assurance approaches which have been taken, and have taken action to ensure that any exceptions and weaknesses in the assurance approaches have been addressed. This has included monthly meetings to review and challenge financial and operational performance reports.
- The Board is satisfied that the approaches have appropriately identified and addressed any risks to the provision of accurate and complete data and information in particular areas; and utilised individual directors and committees in carrying out its activities in this area.
- No third-party assurance has been undertaken in relation to this regulatory reporting pack.

Approved by the Directors on 24 June 2025.
